

COMMERCIAL OFFER

Landing page development

CLICK WEB DESIGN SRL offers the development of a modern landing page with a full cycle of services — from planning to launch and technical support.

1. Project goal

Creation of a landing page that meets modern requirements:

- Fast, responsive and secure
 - Easy to use for both users and administrators
 - With a bilingual version (Romanian/Russian and English)
 - With a contact form for quick communication with managers
-

2. Main requirements

- Complete information about the company and its field of activity
 - Detailed description of offers and services
 - High loading speed
 - Mobile device adaptation
 - User-friendly navigation and page structure
-

3. Technologies

We use modern technologies:

- WORDPRESS
-

4. Timeline

From 15 to 30 business days after project approval and technical documentation agreement

5. What's included in the price

- “About Us” page section
- “Customer Reviews” page section
- “Contacts” page section
- Page section with service descriptions
- FAQ (Frequently Asked Questions) page section
- Bilingual version of the website
- Domain and hosting setup
- Mobile adaptation

6. Cost

💰 Landing page starting from € 499 (excluding VAT)

The exact cost is determined after discussing the technical requirements

7. Why clients choose us

- ✓ Experience in developing commercial and corporate websites
- ✓ Individual approach
- ✓ Meeting deadlines
- ✓ Post-launch support
- ✓ Transparent payment system

8. Payment terms

- 35% — upfront payment
- 65% — after project completion

9. Support

After launch, we offer:

- Technical maintenance
- Consultation

We will be happy to discuss the project details and prepare a personalized offer.
