

COMMERCIAL OFFER

Showcase website development

CLICK WEB DESIGN SRL offers the development of a modern showcase website with a full cycle of services — from design to launch and technical support.

1. Project goal

Creating an effective showcase website that:

- Provides a convenient and informative way to browse the range of products and/or services
- Increases brand awareness

2. What development includes

♦ 2.1. Planning

- Niche and competitor analysis
- Website structure development
- Page prototype creation

♦ 2.2. Design

- Modern design
- Mobile-friendly (responsive)

♦ 2.3. Online store features

- Product catalog with filters and prices
- Product page (description, photos, specifications, price)
- Admin panel for product management
- Basic SEO optimization

♦ 2.4. Additional (on request)

- Multilingual support (EN / RO / RU)
- Advertising campaign setup (Google / Meta)

3. Technologies

We use modern technologies:

- WORDPRESS

4. Timeline

3–5 weeks after project approval and technical documentation agreement

5. Cost

The price depends on features and catalog size.

💰 Basic showcase website starts from € 949 (excluding VAT)

6. Why clients choose us

- ✓ Experience in developing commercial and corporate websites
 - ✓ Individual approach
 - ✓ Meeting deadlines
 - ✓ Post-launch support
 - ✓ Transparent payment system
-

7. Payment terms

- 30% — upfront payment
 - 70% — after project completion
-

8. Support

After launch, we provide:

- Technical maintenance
 - Consulting
-

We will be happy to discuss the project details and prepare a personalized offer.

With respect for every client,
